Getting started with

The Libby app is a new, streamlined way to borrow digital books and audiobooks from your library.

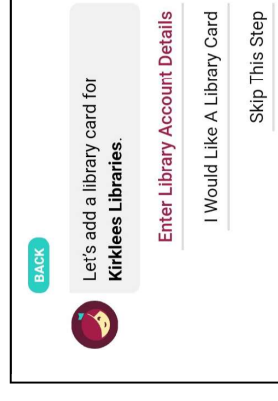

Download and install the 'Libby, by Overdrive' app from your devices' app store.

Open Libby on your device and follow the prompts to select Kirklees libraries.

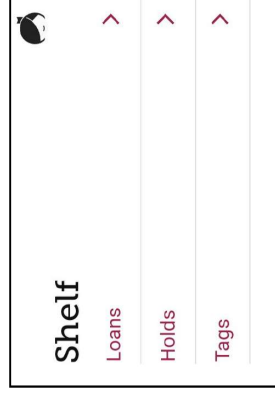

Sign in using your library card number and PIN.

Browse our collection and borrow a title. These appear on your shelf.

Loans are then downloaded when you connect to WiFi.

Holds can be placed on titles others are reading.
